'Introduction to Computers' for Teaching Staff

01.04.2019 to 08.05.2019

An Intensive Training Programme was conducted by the Department of Computer Science on *'Introduction to Computers'* for Teaching Staff from 01.04.2019 to 08.05.2019. The staff were trained for one month about the virtual learning methods that enable them to teach more effectively.

Dr. B. Sambasiva Rao, Assistant Professor in Computer Science, was the Resource Person, who gave the participants hands-on training. The programme was meant as a basic tutorial for those teachers who were not very well-versed with ICT skills. It also included training of various teaching aids such as Google Classroom, Digital Boards etc. The participants received hands-on training in various teaching aids and were able to demonstrate whatever they had learnt at the end of the day in the practicums.

One Day Workshop on Research Skills

22.09.2018

A *One-Day Workshop on Research Skills* was conducted by the Student Study Projects Committee (JIGNASA) in association with the IQAC on 22/09/2018. Ever since the CCE introduced the JIGNASA Student Study Project Competitions for UG students in the Government Degree Colleges in Telangana State, it has motivated hundreds of students to involve themselves in research activities. Accordingly, the college conducted the workshop to provide training in the following research skills:

- Writing Skills
- Plagiarism
- Reliable and Unreliable Sources
- Code of Ethics

The Convenor of the Jignasa Committee, Dr. A. Santoshi, was the Resource Person. The students participated most enthusiastically in the workshop and benefited from it. The teaching staff also participated in the workshop.

Orientation Programme/Workshop for Teaching Staff on 'Student-Centred Methodology and Learner Autonomy'

10.08.2018

The IQAC organized an Orientation Programme-cum-Workshop for the Teaching Staff on the topic '*Student-Centred Methodology and Learner Autonomy*' on 10.08.2018. The Resource Person was Ms. P. V. Geetha Lakshmi Patnaik, IQAC Coordinator of the college. Ms. Patnaik is a certified Master Trainer, who was certified as a Master Trainer under the English Language Fellow Programme jointly sponsored by the Commissionerate of Collegiate Education of Andhra Pradesh and the U.S. State Department.

Ms. Patnaik introduced the concepts of SCM or *Student-Centred Methodology* and the need for *learner autonomy*. The differences between the traditional methods of teaching as opposed to the student-centred methods were demonstrated for the benefit of the participants. Student-centred learning puts students' interests first, acknowledging student voice as central to the learning experience. Differences in the role of the teacher in both the methods and the concepts of '*Sage on the Stage*' and '*Guide on the Side*' were introduced to the participants who received hands-on training in some of the methods of SCM, namely pair work, group work, task-based learning, etc.

The workshop was successful in sensitizing the faculty towards the need for adapting to the paradigm shift in education and the need to update teaching skills.
