2015-16

Department: Zoology

1	<b>Program</b>	B.sc Life science
2	<b>Paper/Course</b>	1. Animal diversity- Invertebrates UNIT-1 1.2. Protozoa 1.2.5. Locomotion, Reproduction and Diseases
3	<b>Action Taken as per Feedback</b>	Feedback form were collected from the students on curriculum and analyzed. Accordingly, the following steps were taken by the department to enrich and enhance the existing curriculum: 1. We explained many species specimens in the practical classes. 2. We arranged guest lectures for the student. 3. Student seminars were also conducted.
4	<b>Recommends to the University</b>	In the meetings with the HOD and BOS of OU, following suggestions were made to change certain topic and improvise the syllabus. 1. The topics in Protozoa are vary vague, where they have not specified as to which animals have to be explained as examples for these topics 2. There are many examples of species in protozoa. 3. The syllabus is semester wise and in this short time too many examples cannot be explained. 4. So we asked the HOD of Department of zoology OU to specify the exact topics and specify the syllabus in detail.
