Date	: 19.2.2019
No. of Students Attended	: 50
Organizing Committee/Cell	: Women empowerment Cell
Collaborating Organization/Agency	: Hindustan Unilever Limited
Brief Report of the Programme	:

Rexona Confidence Academy members Mr.Imran, Ms.Sravya and team interacted with our girls. During the interactive meet they discussed the products of Unilever. They discussed the significance of positive impressions in the beginning as it is crucial to get the dream job. They gave some tips to help to crack the verbal code: Maintain a pleasant and calm tone of voice.

- Use a tone that reflects sincerity and your personality.
- Every interaction has a give and take. Leave a lasting impression by being both a good listener and speaker.
- Articulate your thoughts with brevity and clarity – keep your ideas and thoughts simple.
- But, come what may – always use sweet and simple words as opposed to complicated and tough language so that you receive a good response from whoever your audience may be.

The motive of Rexona Confidence Academy was to educate the students on how to face the job interview. As.Nisha from RCA addressed the students and explained regarding the importance of personality, attitude and proper communication during an interview. In two sessions they have interacted with Science, Arts and Commerce girls students. Our students got a rich experience of different products of Unilever Ltd and also gained experience with respect to attending interviews with confidence.
