Two-Day workshop on 'Carbon Footprint' by the Department of Chemistry

06.02.2018 to 07.02.2018

A Two-Day Workshop was organized by the Department of Chemistry on the topic '*Carbon Footprint*.' Dr. I. Vani, Assistant Professor of Chemistry, Government Degree College, Kukatpally, was the Resource Person.

In this workshop two models were prepared on how to reduce Carbon Footprint. The workshop was helpful in driving home the point that human beings have to be aware of the damage being done to the environment. Reduction of our carbon footprint is one of the most important sustainability initiatives that we can take up.

The teachers and students received training on the strategies to reduce carbon footprint. The participants understood that they should choose the ethics of care and try and repair the damage being done to the environment.

Orientation Program for Teaching and Non-Teaching Staff

on

09.06.2017

The IQAC of the college conducted an *Orientation Programme for the Teaching and Non-Teaching staff* by the Principal on 09.06.2017. The objective of the programme was to welcome the staff to another new academic year and remind them about the policies and procedures of the college.

The Principal, Dr. K. Padmavathi, addressed the staff and said that teachers should teach their students to be perceptive and discerning. The Principal suggested that teachers should understand and teach their students to understand the value of character more than position or rank. The emphasis should be towards the teaching of values rather than just imparting knowledge. Another point that was emphasized during the session was the importance of passion and belief in teaching. Only a passionate teacher will be able to unfold the gifts and potentialities of the student.
