

7.1.6. Documents pertaining to energy initiatives

INDEX

S.No.	
1	Office order from Principal, BJRGDC to Department of Physics to give a report of power utility devices in the college premises
2	Report Submission of power consumption survey conducted by Physics Department
3	Report of room-wise electrical appliances in the college premises
4	Office order from Principal, BJRGDC to A.V.E. Committee to suggest power saving measures
5	Report Submission by A.V.E. Committee

Office of the Principal,
B.J.R. Government Degree College,
Vittalwadi, Narayanaguda, Hyderabad-500029, Telangana State .

Office Order

16-03-2019

It has come to the notice of the Principal that the college is receiving excessive current bills. In this connection, the Department of Physics is requested to take up power consumption survey, duly considering the floor-wise consumption and submit the report with necessary suggestions / remedies within 10 days.

From,
S.Radhika,
I/C Department of Physics.

To
The Principal
BJR Government Degree College
Hyderabad.

Sir,

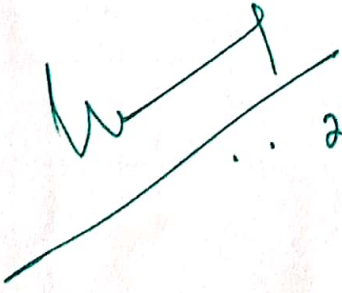

Sub:-Submission of detailed report of electricity consumption at our
college -reg-

It is to bring to your kind notice that as per your instructions, the Department of Physics conducted a detailed survey of the floor-wise power consumption in the college premises and the following changes are required-

- i) The installed meter is not sufficient to bear the load
- ii) It was noted that the existing meter of 5 KW is insufficient and hence needs to be replaced with higher range.

Thanking you,

Yours faithfully,
(S.RADHIKA)

Office Order

Date: 20-01-2021

It has come to the notice of the Principal that there are frequent electricity fluctuations affecting regular academic and administrative works. In this connection, the Audio-Visual Committee is requested to take up power consumption survey of the college building and submit the report with necessary suggestions / remedies within 7 days.

AVE (Audio – Visual) Convenor,
Department of Physics.

To
The Principal
BJR Government Degree College
Hyderabad.

Sir,

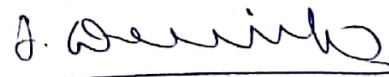

Sub:-Submission of report on energy saving power devices at our
college :-reg-

It is to bring to your kind notice that as per your instructions, the AVE committee has conducted a detailed survey, floor-wise for the reduction of power consumption in the college premises and replacement of electrical fittings.

- i) The existing lights to be replaced with LED's.
- ii) Present meter of 25 KW to be upgraded to 50 KW to avoid fluctuations.
- iii) As the fourth floor construction works are initiated, it is recommended to go for solar energy sources as an alternative mode of power supply.

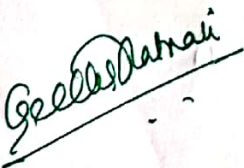

Thanking you,

Yours faithfully,

D. DEVAIAH
