Date: 30.04.2019

Sir,

**SUB:- Babu Jagjivan Ram Government Degree College, Narayanaguda, Hyderabad -
Recommendations for Changes in the Subject-wise Curriculum for the A.Y. 2018-19
Submitted - Action on Feedback on Curriculum - Requested - Reg.**

With reference to the above subject, I bring to your notice that our college collects feedback from students, teachers and alumni on the curriculum, every year, and submits certain recommendations from the various departments for changes in the curriculum of their respective subjects. I wish to thank the University for considering the recommendations submitted by the college, every year, and bringing in necessary changes, wherever possible.

In this connection, I submit the list of recommendations/suggestions for bringing in changes and addressing gaps, if any, in the existing curriculum. They may be considered as and when any syllabus revision is undertaken.

Thanking you

Yours Sincerely

PRINCIPAL
B.J.R. Government Degree
Vitalwadi, Narayanaguda,

Enclosure:

List of recommendations from departments

Feedback Recommendations (2018-2019)

After comprehensive analysis of the online feedback from the Stakeholders, the following recommendations are sent to the University to be incorporated in the upcoming syllabus revision:

Sl. No.	Department	Recommendations
1.	Economics	Skill Enhancement courses like Entrepreneurship Development to promote Entrepreneurs and Agricultural economics paper to be introduced in the revised curriculum
2.	Political Science	Advanced topics in the subject to be introduced; Project work to be introduced in III year to develop research skills
3.	Public Administration	Introduction of a topic on Corporatization of Agriculture and Project in III year
4.	Commerce	In addition to Principles of Life Insurance, Practice of Life Insurance & General Insurance, Communication Skills, Leadership and Management Skills to be introduced; Research Methods help students to get a solution to a problem.
5.	Botany	Introduction of unique SEC and GE courses, in order to get hands-on experience in the research techniques so that the students can get more job opportunities
6.	Zoology	More emphasis should be given to practicals and change the practical hours from 2 hours to 3 hours to make the topics more precise
7.	Chemistry	Introduction of project work for the final year students helps students with the Research Methods to get a solution to a problem.
8.	Physics	Inclusion of project work in the final semester to enable experimental learning and research activities.
9.	Computer science	Advanced learners have suggested introducing credits for MOOCS along with real-time projects in the curriculum
10.	English	Introduction of English in the Final Year too, in order to prepare the students for the job market; Personality Development to be introduced.
11.	Telugu	Introduction of communication skills, research skills and research methodology as a part of curriculum that would greatly benefit students;. Separate components on soft skills and personality development can be introduced in the curriculum.
12.	Hindi	Hindi to be introduced as a Compulsory Subject in the final year; lessons on human values and personality development needed
